

FEES & DEFINITIONS Updated June 2018

RESIDENT DISCOUNT (RD): A “resident” is a person, non-profit organization or business that resides within Wake Forest town limits. Please be prepared to **show a current utility bill as proof of residency.** Non-profits must also show proof of 501c3 status.

PROOF OF RESIDENCY: A document confirming where you live. It needs to have both your full name and your address printed on it. We accept residential leases, property deeds or a current utility bill as proof of residency.

MILITARY DISCOUNT: For military personnel (active duty and reserves). Proof of status is required at time of registration. Acceptable proof includes the CAC card (Common Access Card) for active-duty and reserves. Since proof of status is required, this discount is only available for in-person registration and cannot be combined with other discount programs (Financial Assistance, senior, or CHA).

MULTIPLE CHILD DISCOUNT: For families who have multiple children participating in the same program or sport through PRCR at the same registration time. The first child will pay normal price; the second, third and more children will receive the discounted price. Discount is available for online and in-person registration but cannot be combined with other discount programs (Financial Assistance, military, senior, or CHA). All family members should be included in the same family account in the registration system to qualify.

FINANCIAL ASSISTANCE: Documentation required: proof of reduced school lunch or Social Service approved assistance letter.

NON-PROFIT DISCOUNT: Documentation required: proof of 501c3 status and proof of local residency (residential lease/property deed or current utility bill). To qualify for the non-profit discount, any out-of-town non-profit must show that their organization provides a benefit to Wake Forest and/or its residents.
